Tennis Center Newsletter

Letter from the Supervisor

Dear Members,

I hope everyone had a wonderful and safe holiday season. Now that the holidays are over it is time to hit some tennis balls and lose those extra pounds we put on during the holidays. Men and women's flex league sign ups are now open for the Winter season. You may sign up at the Pro Shop desk until January 11, with play beginning the week of January 14. The flex league is a great opportunity to meet and play with members you might not normally play with. Not to mention you get discounted court fees when playing a flex league match.

Please mark your calendars for February 2, 2001. This is a very important date for all of our members. It is your annual meeting and we hope as many of our members can attend as possible. The schedule of events is as follows; pot luck dinner from 6:00 - 7:00 PM followed by your meeting from 7:00 - 8:00 PM. You

will be addressed by your president Helen Magunson, as well as a state of facility report from me. Most importantly, this meeting is an open forum for you, the membership, to voice any topics concerning the Tennis Center. It is very important to us to hear your input regarding what we are doing well and what areas we can improve. In this month's issue you will find nomination forms for executive committee officers for the next two years. During last year's meeting it was voted on and ratified that the offices will go from one year terms to two year terms. Due to this change in policy, all executive committee positions need to be filled. Please take a moment to review and complete the nomination. **BEFORE YOU SUBMIT A NOMINEE, MAKE SURE YOU HAVE THEIR PERMISSION.** Please turn the nomination form into the pro shop by January 26, 2001. You will vote on new officers dur-

ing the annual meeting February 2, 2001.

Also in this month's newsletter you will find the schedule of the men's and women's home matches. I encourage all of you to come and support your Penn State men's and women's varsity tennis teams. The level of tennis is fantastic. The coaches and players really appreciate when the stands are full cheering them on.

Junior development sign ups are going on now. Doug is doing a terrific job putting together a program designed to help the kids learn and enjoy the sport of tennis. I sincerely look forward to serving you in the upcoming year. Let's all have a great 2001!!!

Sincerely,

Eric D. Dove

Junior Development:

Our first session of winter junior development ended in late December. The session went very well with David Price, Adam Marcus, and Marc McCallister helping me with the clinics. We had over 50 players in the program. I am looking forward to having a great second session in January and February. The session runs from January 7th to February 11th. If you need any information on the sessions, feel free to contact Doug Schoenly in the Pro Shop at 865-1381.

Flex League:

The purpose of the flex league is to give people a chance to play more singles, as well as to meet new members and other members who you may not play with. Hopefully you will be able to find some different members to play with or sub for you when the situation arises. Our first session of winter flex leagues is coming to a close. I have been pleased with the amount of matches being played. I hope all of the participants enjoyed the competition and got to meet some different members. Hopefully many of you will continue to play with those you met while playing in the flex league. I am going to be running another flex league during the months of January and February which may run into March depending on how many participants sign up. I am hoping to have enough sign ups to have two separate leagues for both Men and Women. Sign ups will end for the new league on January 11th, 2001 with play beginning the week of January 14th. If you have any questions, please contact Doug in the Pro Shop at 865-1381.

Women's Clinic:

Eric and I are going to be offering a women's clinic on Friday's starting in January. The clinic will start on January 19th from 10:30 AM to 12:00 noon. The cost for the clinic will be \$15.00. We will continue to run these clinics for the remainder of the indoor season as long as we have enough women sign up. The clinic will be drill oriented with some play towards the end of the clinic. If you have any questions, contact Doug or Eric in the Pro Shop at 865-1381.
