LETTER FROM THE SUPERVISOR

I hope everyone has had a pleasurable indoor tennis season and is ready to get outside and hit some balls. I want to go over our outdoor policies and make you aware of some ex

First, our goal is to have our clay courts open for play by May 1st. Again, we have a lot of work to do to get them ready for play but, weather permitting, we should have them open on time. The reservation policy for the clay courts is unchanged from last year. Any member wishing to reserve a clay court may do so by calling the pro shop. There is no charge to reserve a clay court; it is for the convenience of our members. The clay courts will be closed daily from -3:00 pm daily for maintenance. With the addition of the new irrigation system, we look forward to improved play from the clay courts.

I am very excited to announce that as of May 1st the Sarni Center will be under the direct operation of the tennis center. What this means to our membership is you can now play tennis at the Sarni Tennis Center. The Sarni Center will be open daily from 9:00 am to 5:00 pm as well as being open select evenings for night play. We will also be using the Sarni Center for programs and special events. If you haven't experienced tennis at the Sarni Center, I encourage to take advantage of this world class facility.

In the past, there were no reduced indoor court fees for use of the indoor courts during the summer months. I am very pleased to announce the following indoor court rates for the summer of 2001. wish to play indoors for any reason the court fee is

\$18.00 per court hour. If you want to play singles it will cost \$9.00 per person and if you want to play doubles it will cost \$4.50 per person. During rain, it will cost \$10.00 per court hour. If you want to play singles it will cost you \$5.00 or only doubles per hour.

If you have any questions concerning any of our outdoor policies please stop by or give me a call and I'll be happy to go over them with you.

Finally, on the pro shop desk you will find several pictures of a permanent fabric structure. We are researching the possibility of enclosing the back hard courts to give us ten indoor courts. The construction of this type of facility costs considerably less than a conventional building like what we have for our four indoor courts. Please have a look and let us know what you think.

DOUG'S SERVE

Junior Development

I am going to be running two junior development sessions during the months of April and May. I will be running classes for: Future Stars, Super Stars, High School Bound and High School Training. Our session for April will begin on Monday April 9 and continue on the following dates: April 13, 16, 20, 23, 27, and 30. The days of the week we are running junior development in April are Mondays and Fridays. We will also be running junior development during the month of May on Mondays and Wednesdays. For more information about the clinics call the Pro Shop

Just a reminder about when Eric and I are running clinics. Eric runs a women's clinic on Tuesday -11 am. I am running a women's clinic on Wednesday nights - also running an hour and a half clinic on Friday mornings from 10:30-12:00. During the Friday clinic we drill for about an hour and then play doubles during the last 30 minutes.

Please remember Special Olympics begin in early June. I am going to be running the events, I could use all the help I can get. Feel free to bring any and all friends.

Clothes, Clothes, Clothes!!!

Recently we met with the clothing rep from Prince and placed an order for men's and women's tennis apparel. We expect delivery of the clothes in the near future. The clothes will be affordably priced so get

We just received a shipment of new Wilson tennis shoes and are expecting shipment of new Head tennis shoes. If you are in the market for new tennis shoes stop by and check us out.

Tennis racket technology has come a long way in the last few years, If your racket is older than 3 years old, it might be time to look at a new one. We have the latest demo Prince. Please feel free to stop by and try out one of these new rackets, it could improve your game dramatically. If your not sure which racket is best for you, ask one of our staff and we will get the right
