**Pennsylvania State University**

October, 2002

Dear Members,

Mark your calendars now for October 5th and 6th. These are the dates for the Penn State Tennis Center Men's and Women's Doubles Club Championships. This will be our last outdoor event of the season so let's end it with a bang. The format will be an "ABC" drop down tournament. Many of you have played in our mixed doubles and singles club championships in which we used this same format. Everyone is guaranteed three matches with everyone ultimately playing in the division which best fits your game. This promises to be a great time so sign up now in the pro shop. Lunch will be provided on Saturday. If you are unable to play I invite you to come out during the weekend and watch some great doubles.

As we approach the indoor season I want to go over some of our indoor policies. All of the members who had a permanent indoor time last year will be receiving letters in the mail soon to give you first opportunity to reserve that time or this year. After this process has been completed, any member wishing to make a permanent reservation may do so based on availability. We will make every effort to accommodate everyone but, as you all know, with only four indoor courts it can be challenging.

As the days become shorter many of you may be interested to know that the Sarni Tennis Center will be open for member play from 6:00 to 11:00 pm Monday thru Saturday. We will keep Sarni open as long as weather permits.

If you happen to be playing tennis and see someone you don't recognize, chances are they are a new member. Please take a minute and introduce yourself, who knows you may have just met a new tennis buddy!

Regards,

Eric

Doug's Corner September 20, 2002

Junior Development:

Our September Junior Development session is under way and is going extremely well. I have 24 juniors in my Future Stars and Super Stars group. I have 10 juniors in our High School Bound and Tournament Training group. I have the rest of my winter schedule ready for pick up if any of you are interested, or know anyone who is interested in our program. I am running Junior Development lessons during the months of October, November, December, January, and February.

Winter Events:

The social committee and myself are meeting shortly to set up our winter event schedule. We will be looking at running some round robins, the Woodie White, and a variety of other events. Look for these upcoming events in the next newsletter as well as on flyers around the tennis center, or ask Doug, Eric or any of our staff about upcoming events.

## **PRO SHOP NEWS**
