5. **Proposed Appointment of Members, Board of Directors of The Milton S. Hershey Medical Center**

In May 2000, the Board of Trustees approved the establishment of the corporation "The Milton S. Hershey Medical Center," a Pennsylvania nonprofit corporation for the purpose of employing personnel, owning equipment, and holding the hospital and other licenses necessary to provide healthcare services. The Board further confirmed that the University will continue to fulfill its obligations as Successor Trustee of The Milton S. Hershey Medical Center through establishment of the corporation to operate the clinical enterprise and make the necessary appointments to the Board of Directors.

The Board of Directors of The Milton S. Hershey Medical Center consists of 15 members. Nine directors are appointed directly by the Board of Trustees with three-year, staggered terms; two are *ex officio* directors: the Senior Vice President for Health Affairs of The Pennsylvania State University, Dean of the College of Medicine, and Chief Executive Officer; and one director is elected from among the clinical department chairs at The Milton S. Hershey Medical Center. The remaining four directors are considered independent directors, with three-year, staggered terms, and are self-perpetuating. Together, these 15 directors are responsible for governance of The Milton S. Hershey Medical Center, subject, of course, to the authority of the Board of Trustees to appoint and remove its appointees.

The members of the Board of Directors appointed by the Board of Trustees of The Pennsylvania State University whose terms expire this year are: David M. Joyner, Edward P. Junker III, and Barry K. Robinson.
